

# THE SCREAM

**"The Scream"** is a new web series on everything horror!

The Scream Productions presents "The Scream" hosted by **Melissa Bacelar** with her pet zombie "Z" played by **J.C. Taylor** takes place in their dungeon complete with their own electric chair and bubbling cauldron full of body parts.

The show opens every week with a **"Scream Babe"** original horror short featuring a **hot** babe with blood and gore.

**"The Scream"** is filled with interviews of horror talent on location and in the studio. All guests are **tortured** according to Melissa's mood!

Classic clips and indy horror clips are reviewed by the duo.

**"Horrorbull"** is a segment about how all that horror is accomplished with guest SFX makeup artists.

**"Heidi Martinuzzi"** our ghoul on the street reports from conventions, premiers and more.

**Contests and absurd humor splattered about.**
